

# Children's Lead-line Lessons

## Private Lessons - Ages 7 up

Bring your child to the stables to learn about horses. This is a lot more fun than a petting zoo! We start with a gentle introduction to our horses and ponies, and then start your child in the saddle, with the reins in hand. The instructor will take the child for rides around the barn or small arena, leading the horse by a lead-line, giving the child a sense of security and confidence, and above all, enjoyment.

The best start to horseback riding is to provide the child with a consistently pleasant experience, allowing the child to feel his balance with the motion of the horse.

## Clothing and Equipment

We will lend you a helmet. The child should wear comfortable long pants, and always bring a warm jacket, since we are only a mile from the ocean. Wear a shoe with a heel so the foot won't go through the stirrup.

## Costs and Payment

**Book of 5 half-hour lessons .....\$250.**  
**You can take up to ten weeks to use up your book. Payment is in advance by credit card or check. Cancellation must be made before noon of the day before your lesson, or the lesson will be charged.**
