Glossary

Introductory - Orientation, safe horse handling, groom and tack. Learn the rudiments of the walk and proceed to learn balance position through walking and beginning trotting exercises.

Rusty Rider -Some riding experience, a refresher. If you are too advanced, we will reassign you

Novice I - Continuing work on balance, three seats; posting, sitting, two-point at walk and trot.

Novice II - Introduce group trot, diagonals at the trot, learning to ride without stirrups for balance. When secure without thier stirrups at the trop, riders are ready to begin learning how to canter.

Intermediate - Learning to canter, continue walk & trot in three seats, work over ground poles.

Rider has good balance and position, can walk & trot in a group well, knows diagonals and is comfortable at the individual canter, leads and working on transitions from all gaits.

Advanced - Rider is comfortable at all gaits, controls all gaits in a group, is comfortable riding most horses in the school; can canter from a walk, comfortable in 2-point, controlled trot or canter.
